

# **10MWh Off-Grid Solar Containerized Water Treatment Plant in Qatar**

## Overview

---

Why is Qatar launching a solar power plant?

The start-up of the Al Kharsaah solar power plant represents a milestone in the country's energy history, since it is set to produce 10% of its peak electricity demand at full capacity. Over its lifespan, it will also enable Qatar to reduce its CO<sub>2</sub> emissions by 26 million metric tons.

What is Qatar's Solar Energy Future?

Qatar's solar energy future is steadily developing. With average daily sunshine of around 9.5 hours, low-cloud cover conditions and plentiful space, there is great scope for small, medium as well as large-scale solar power projects in the country.

Is Qatar a good place to develop solar energy?

Qatar boasts the ideal conditions for developing solar energy with its exceptional sunshine and vast unoccupied spaces. This is where the Al Kharsaah solar power plant, developed by TotalEnergies and its partners QatarEnergy and Marubeni, was inaugurated in October 2022.

Who is WJ Groundwater Qatar?

WJ Groundwater Qatar specializes in groundwater treatment and remediation, effectively removing oil, sediment, and other contaminants from pumped water before discharge. Their innovative approach and expertise in groundwater management position them as a leading partner in water treatment solutions.

## 10MWh Off-Grid Solar Containerized Water Treatment Plant in Qata

---

Solar-powered water desalination plant in Doha

Nov 3, 2025 · In collaboration with Fraunhofer-Institut for Solare Energiesysteme ISE, Agrico Qatar has installed an advanced solar water desalination system at their facilities near Doha, ...

---

Solar Energy in Qatar

May 4, 2024 · Qatar's solar energy future is steadily developing. With average daily sunshine of around 9.5 hours, low-cloud cover conditions ...

---

Solar Energy in Qatar

May 4, 2024 · Qatar's solar energy future is steadily developing. With average daily sunshine of around 9.5 hours, low-cloud cover conditions and plentiful space, there is great scope for ...

---

Salzburg Solar Energy Solutions and Water Treatment

?Solar & Water Treatment System? · ?Salzburg, a Qatar-based EPC provider, specializes in solar energy, lighting, AC systems, water treatment, storage tanks, Kwick Span structures, and ...

---

Top 19 Water Treatment Companies in Qatar (2025) , ensun

Discover all relevant Water Treatment Companies in Qatar, including Horizon Water Technologies and Apex Water Solutions

---

Al Kharsaah: A Pioneering Solar Power Plant in Qatar

3 days ago · The Al Kharsaah solar power plant can supply 10% of Qatar's peak power consumption, thereby contributing to the country's sustainability roadmap.

---

Salzburg Solar & Water Treatment Plant

Through constant innovation, it continues to push the PV industry forward by creating greater grid parity of PV power and popularizing renewable ...

---

SALZBURG

Salzburg Trading Contracting & Services delivers advanced solar and water treatment solutions across Qatar. We focus on sustainable energy, high-performance systems, reduced ...

---

salzburg -Solar Energy Equipment & Supplies-Solar Water Heaters in Doha

Sep 28, 2021 · About Salzburg With more than 15 years experience Salzburg providing solution on-grid/off-grid solar system and Water treatment plant (Ground Water/Waste Water/Sea ...

---

Salzburg Solar & Water Treatment Plant , Qatar Commercials

Through constant innovation, it continues to push the PV industry forward by creating greater grid parity of PV power and popularizing renewable energy. Salzburg, the mission is to boost ...

---

## Seawater Desalination System Solar-Powered Containerized

Oct 24, 2025 · STARK's Seawater Desalination System offers off-grid freshwater production from 5 to 50 TPD, tailored for Middle Eastern coastal and desert environments--ideal for ...

---

### About

We specialize in solar power systems, water treatment plants, desalination units, wastewater treatment, swimming pools, wooden houses, and car parking sheds, along with complete ...

---

### Al Kharsaah: A Pioneering Solar Power Plant ...

3 days ago · The Al Kharsaah solar power plant can supply 10% of Qatar's peak power consumption, thereby contributing to the country's ...
