

# **Approval of energy storage batteries**

## Overview

---

What are energy storage battery certifications?

Global certifications ensure that energy storage batteries meet stringent safety, performance, and environmental standards, mitigating these risks while facilitating market access. 2. Key Energy Storage Battery Certifications Worldwide.

Are storage batteries required to be registered with BIS?

The Ministry of New and Renewable Energy (MNRE) has issued draft guidelines for series approval of storage batteries for compulsory registration with the Bureau of Indian Standards (BIS) under the Solar Systems, Devices and Component Goods Order 2025.

What is the regulatory and compliance landscape for battery energy storage?

The regulatory and compliance landscape for battery energy storage is complex and varies significantly across jurisdictions, types of systems and the applications they are used in. Technological innovation, as well as new challenges with interoperability and system-level integration, can also amplify risks.

Why should energy storage batteries be certified?

Environmental Exposure – Extreme temperatures, humidity, and corrosive environments can impact battery performance and longevity. Global certifications ensure that energy storage batteries meet stringent safety, performance, and environmental standards, mitigating these risks while facilitating market access. 2.

## Approval of energy storage batteries

---

Flatiron Energy wins approval for 300-MW ...

Jan 13, 2025 · ISO New England has given the thumbs up to a project proposed by Flatiron Energy and envisaging the installation of a 300 ...

---

SCE seeks approval for 750MW of energy ...

Jun 26, 2024 · SCE is seeking approval from the California PUC of two new RA agreements covering 750MW of nameplate battery storage capacity.

---

MNRE Issues Draft Guidelines for Storage Battery Testing ...

Sep 29, 2025 · The Ministry of New and Renewable Energy (MNRE) has issued draft guidelines for the series approval and testing of storage batteries under the Solar Systems, Devices and ...

---

India's First Commercial Utility-Scale Battery ...

New Delhi , 08 May 2024 -- In a significant step forward for India's energy transition, the Delhi Electricity Regulatory Commission (DERC) has ...
