

ŁOTWA SYSTEM

# Australian new energy battery cabinet brand

## Overview

---

What pytes products are available in Australia?

Pytes Australia offers high-quality energy solutions including the Pytes Battery model E-Box-48100R LFP Battery and three versatile cabinets: R-Box-OC Outdoor Cabinet, Indoor Cabinet (Forest-RB), and Indoor Cabinet (R-Box-B). Optimize your energy storage with reliable, durable, and efficient products designed for various applications.

What is a custom built Battery Cabinet?

AUS-POWER Batteries custom built battery cabinets are the ideal solution for those larger installations or anyone requiring a secure, professional and practical installation. The cabinets contain two lockable doors (front and back) and removable side panels for easy access.

How many batteries can a pytes cabinet have?

Specifically designed for outdoor use. The total available energy capacity of each cabinet can reach up to 20kWh, and up to 4 cabinets (16 batteries, 80kWh) can be connected in parallel. Register your newly installed Pytes battery for warranty.

What are the best battery cabinets?

The PEW3 & PEW4 are our most compact battery cabinets in the range. These cabinets are an optimal choice for smaller systems. The size and construction of the PEW cabinet makes it well suited for secure installation in tight spaces and residential properties. Additional cabinets can be added for expansion as required, maintaining the low profile.
