

Austrian quality solar container battery manufacturer

Overview

What is solarcont GmbH?

SolarCont GmbH is an Austrian joint venture set up in 2022 by container technology specialist Gföllner and Austrian PV system supplier Hilber Solar. This content is protected by copyright and may not be reused. If you want to cooperate with us and would like to reuse some of our content, please contact: editors@pv-magazine.com.

What is solarcontainer & how does it work?

Solarcont, an Austrian startup, has unveiled Solarcontainer, a portable PV generator that can function as a mobile solar plant independent of the electrical grid. In remote areas, it can guarantee stable power supplies and even almost replace public grids with strong power fluctuations, as well as diesel generators.

What is a modular container platform?

The modular platform combines multiple containers with battery and energy storage systems, ensuring easy transportation with standardized ISO 668 container dimensions and a permanent “CSC badge” for security. The container measures 6 meters x 2.4 meters x 2.9 meters and weighs 20 tons.
