

Bangi solar water pump factory direct sales

Overview

Who makes solar water pumps?

WBS began producing water pumps in 1998. In 2008, we independently developed and produced solar water pumps. We have OEM production for more than 200 solar pump dealers around the world. Over the past 10 years, we have produced more than 150,000 sets of solar water pumps that have been exported to other parts of the world.

Who is WBS solar pump?

We are WBS solar pump, the No.01 Chinese Factory of solar pumps located in Ningbo, Zhejiang which is near the port and takes a good advantage for the sea shipping. 18000+ solar pumps sales per year, 300 dealers around the world, ISO9001, CE certificated.

How do I choose a water pump manufacturer?

The Solar Pump is a standout piece in our Water Pump collection. Selecting the right water pump manufacturer involves evaluating factors such as quality standards, efficiency rates, material durability, and after-sales services. Seek a recognised supplier that meets these criteria to ensure reliable performance of your industrial equipment.

Why should you choose a solar water pump supplier?

Enhance your Water Pump setup with our premium Solar Water Pump. Collaborating with a water pump supplier for wholesale acquisitions can significantly reduce costs, streamline procurement processes, and enhance product availability.
