

LOTWA SYSTEM

Brunei energy storage fire equipment manufacturer

Overview

Who owns Brunei energy services & trading (best)?

Brunei Energy Services and Trading (BEST) is the national oil company owned by the Brunei government. The company was granted all mineral rights in eight prime onshore and offshore petroleum blocks totaling 20,552 sq. km. PB manages contracts with Shell and Petronas, which are exploring Brunei's onshore and deep-water offshore blocks.

What is the management doing in Brunei Darussalam?

The management is pursuing a policy of increasing localization of the company personnel and to achieve a long-term goal of training a dedicated team of qualified local technicians to install service and maintain fire equipment in Brunei Darussalam.

Who is Prosafe engineering company?

Prosafe engineering company specializes in fire protection systems, offering comprehensive solutions designed to ensure safety and compliance in various types of buildings. Our services include the fire safety consultant, design, installation, maintenance, and inspection of fire protection systems.

How we are helping Brunei economy?

We are heading towards providing green products, technologies and services to various sectors within this Brunei Economy. Slowly, we wanted to educate and help the Bruneians to save Brunei against Pollution and Contamination. To stop the Bruneians from Wasting Energy and start appreciating it for a better future.
