

# China distribution switchgear in Portugal

## Overview

---

Is Doho a reputable switchgear company?

DOHO is one of the most reputable switchgear company. We produce a full range of low-voltage (LV) , medium-voltage (MV) switchgear and high-voltage switchgear (HV).

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.

What is a Doho HV switchgear?

DOHO HV switchgear products are designed for installation in locations with high voltage systems such power transmission and distribution. We are among the preferred high and low voltage switchgear companies by electrical businesses around the world, with clients from more than 60 countries and growing.

What is a low voltage switchgear?

DOHO low voltage switchgear is designed for safe and reliable distribution of electrical power in residential, commercial, and industrial applications. This type of switchgear is available in a variety of configurations, including circuit breakers, contactors, fuses and other components.
