Costa Rica Mobile Energy Storage Container 40ft

Overview

How to find a mini-storage unit in Costa Rica?

The most important thing to know about trying to find a mini-storage or self-storage unit in Costa Rica is that they are called “ mini-bodegas ”. Google translate will tell you that means “small winery” but don’t let that confuse you. Searching online for “self-storage in Costa Rica” you won’t find many so try “bodega” instead.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.
