

# **Energy storage power station OEM**

## Overview

---

What is CATL energy storage company?

It is a CATL-invested company focused on lithium battery energy storage technology. Its core competitiveness is in the R&D, manufacturing, sales, and service of lithium battery energy storage equipment. It aims to offer professional and comprehensive solutions for power generation, power grid, and user side customers.

Where is GreenPower located?

GreenPower is located at Building D2, No. 6000 Shenzhuan Road, Songjiang District, Shanghai, China. They focus on power station, lithium solar battery, energy storage system, and provide standardized & customized products and solutions.

What are CNTE's energy storage products?

April 23-25, 2025 — CNTE presented its three core energy storage products — the STAR Q Outdoor PV-Diesel-Storage Integrated Cabinet, STAR T Liquid-Cooled Container, and T14K Portable Energy Storage System — at Solartech Indonesia 2025, the largest renewable energy exhibition in Southeast Asia.

## Energy storage power station OEM
