

High-Temperature Resistant Folding Containers for Oil Refineries

Overview

What is a crude & HFO storage tank?

The Crude & HFO Storage Tank from TEC Container Solutions provides high-capacity, insulated static storage for crude oil, heavy fuel oils (HFO), and other high-viscosity products. Built with a double-walled, fully bonded design, it ensures environmental protection while maintaining stable product temperatures even in harsh conditions.

Why should you choose TEC's crude oil & HFO storage tank?

With optional thermal fluid, steam, or direct fire heating integration, and modular ISO-framed mobility, it delivers a flexible, compliant solution for refineries, terminals, blending facilities, and remote energy sites worldwide.

Why Choose TEC's Crude Oil & HFO Storage Tank?

Struggling with safe storage for heavy, viscous products?

.

Which IBC containers are approved for oil and gas industry applications?

The following selection of IBC containers have been certified and approved for oil and gas industry applications. Our high density polyethylene (HDPE) IBC tote containers are fabricated from food grade, virgin resin that is FDA approved, BPA free.

Why do you need a relocatable oil storage solution?

Managing crude oil and heavy fuel oils demands more than just standard tanks. Our insulated, double-walled storage solution maintains product temperature, minimises risks, and ensures long-term storage performance without environmental compromise. Need a relocatable storage solution for changing project sites?

High-Temperature Resistant Folding Containers for Oil Refineries

Oil & Gas IBC Totes for Sale , Petrochemical, Energy IBC Containers

6 days ago · Metal containers are the recommended IBC of choice for the long term handling of flammable, combustible materials and high temperature applications. Their all-metal ...

Floating Recovered Oil Storage Tank (FROST) , Vikoma

Floating Oil Storage Barge (FROST & FR50) The floating recovered oil storage tank is a towable floating oil/water storage tank with a hull shaped storage pocket. The tank/ barge is ...

Container for oil and petrochemicals - SCHÄFER Container ...

Container for oil and petrochemicals Robust stainless steel IBCs for the transport and storage of your oil, distillates and petro-chemical substances. These certified reusable containers ...

Crude Oil & HFO Storage Tanks , High ...

Managing crude oil and heavy fuel oils demands more than just standard tanks. Our insulated, double-walled storage solution maintains product ...

Industrial Oil and Lubricant Storage ...

Dec 4, 2025 · Thanks to durable seals and extractor valves made of viton and other corrosive resistant materials, our certified containers (UN, ...

High temperature container ASME

This container is capable of operating under high temperatures, making it ideal for industrial applications involving thermal processing, chemical ...

High Temperature Tote Boxes

High Temperature Tote Boxes These polypropylene totes are chemically resistant to acids, alkalis, oils, and detergents. The tough, smooth surface ...

Extreme-Temperature Process Totes & Lids

Extreme-temperature process totes and lids withstand large fluctuations and differentials in temperature. They store and cover hot items during transport from a production line.

Chemical Bag Containers for Oil Industry Extraction - Heavy ...

Ensure the safe handling, storage, and transport of chemicals in oil and gas extraction with our Chemical Bag Containers. Engineered for offshore and onshore oilfields, refineries, and ...

Crude Oil & HFO Storage Tanks , High-Temperature ...

Managing crude oil and heavy fuel oils demands more than just standard tanks. Our insulated, double-walled storage solution maintains product temperature, minimises risks, and ensures ...

Oil & Gas Shipping Containers , Advanced Container in Texas

Advanced Container Co. supplies rugged, secure, and customized shipping containers built to withstand the harsh demands of oilfield and offshore environments. With over 35 years of ...

Oil & Gas IBC Totes for Sale , Petrochemical, Energy IBC ...

Oil & Gas IBC Manufacturing and Standards
Oil & Gas IBC Characteristics and Benefits
Specifications: High Density Polyethylene Plastic Oil and Gas IBC Tanks
Specifications: Carbon Steel & Stainless Steel Oil & Gas IBC Tanks
Our high density polyethylene (HDPE) IBC tote containers are fabricated from food grade, virgin resin that is FDA approved, BPA free. The totes are ANSI/NSF 61 certified for quality and manufactured with UV inhibitors for extended outdoor use and sun exposure. HDPE plastic IBC containers are light in weight, less expensive alternatives to stainless See more on ibctanks
Grainger
Extreme-Temperature Process Totes & Lids - Grainger
Extreme-temperature process totes and lids withstand large fluctuations and differentials in temperature. They store and cover hot items during transport from a production line.

High Temperature Tote Boxes

High Temperature Tote Boxes These polypropylene totes are chemically resistant to acids, alkalis, oils, and detergents. The tough, smooth surface won't chip and is mildew-proof. ...

High temperature container ASME

This container is capable of operating under high temperatures, making it ideal for industrial applications involving thermal processing, chemical reactions, or storage of high-temperature ...

Industrial Oil and Lubricant Storage Containers , THIELMANN

Dec 4, 2025 · Thanks to durable seals and extractor valves made of viton and other corrosive resistant materials, our certified containers (UN, ADR/RID, IMDG, IATA, etc.) provide the best ...
