

# **How long is the warranty period for Huawei s energy storage solar container lithium battery**

## Overview

---

What is Huawei warranty service?

Huawei provides customers with a warranty service, which is a maintenance guarantee or quality assurance (QA) service, to ensure product quality within a specified period. If any product quality defects occur during the warranty period, Huawei will provide free services based on the specified service level and scope.

Does Huawei smart PV have a warranty?

The table above provides warranty descriptions for Huawei Smart PV's products, devices, and solutions. These descriptions reflect the general warranty services. However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements.

What is Huawei fusion Solar Advanced warranty services?

Advanced warranty services: The services to be provided by Huawei for free during the standard warranty period, only if the related product is connected to Huawei FusionSolar SmartPVMS. If the product is not connected to Huawei FusionSolar, or has been disconnected for over 6 months, the advance warranty shall be void.

Is Huawei liable for damages incurred under warranty agreement?

Huawei shall not be liable for any indirect damages including but not limited to loss of income or profit, damage to reputation, or loss of data. The maximum liability of Huawei under this warranty agreement shall not exceed the amount paid by the Customer to Huawei for the related product. 7.
