

# How to Choose the Ex-factory Price of a 350kW Folding Container

## Overview

---

Who is the largest container house manufacturer in China?

Guangdong C. BOX Co., Ltd is our list's largest container house manufacturer. The company boasts 17 years of experience, 350,000 m<sup>2</sup>, and 200,000 annual output. They specialise in manufacturing and renting quality container homes in China. With their many years of experience, they have thrived.

What is FOB bulk cargo price?

Here, we will discuss in detail the calculation method of the FOB bulk cargo price and its relationship with the LCL (Less than Container Load) surcharge. The FOB price means that the seller delivers the goods on board the ship at the designated port, at which point the ownership and risk of the goods are transferred to the buyer.

Which container home manufacturer is best?

Konbuild is one of the best options for those with tight pockets. K-HOME is a notable container home manufacturer that started operations in 2007. The company is suited for large orders with a production space of 100,000 square meters. K-HOME specialises in designing, producing, and installing homely steel structures.

What if the FOB Price includes all costs up to the ship?

(1) If the FOB price includes all costs up to the ship (including the handling fees for LCL), then the fees paid by the buyer at the destination are limited to the costs from the destination port to the final destination.
