

# **India Mumbai energy storage mobile power brand**

## Overview

---

Will Tata Power install a 100 MW battery energy storage system in Mumbai?

Mumbai, 7th April, 2025 – Tata Power, India's largest integrated power company and a trusted electricity provider to approx. 8 lakh residential and commercial consumers, has received approval from the Maharashtra Electricity Regulatory Commission (MERC) to install a 100 MW Battery Energy Storage System (BESS) in Mumbai over the next two years.

Where will a 100MW power system be installed in Mumbai?

The complete 100MW system will be installed across ten strategically located sites, particularly near load centres across Mumbai Distribution, centrally monitored and controlled from Tata Power's power system control centre.

Why is Tata Power launching a Bess project in Mumbai?

With real-time monitoring from Tata Power's Power System Control Center (PSCC), the BESS will strengthen Mumbai's grid resilience, support clean energy adoption, and fulfill energy storage obligations. The project underscores Tata Power's commitment to sustainable, future-ready power solutions.

What is Tata Power Mumbai?

With this initiative, Tata Power Mumbai continues to drive Technology innovation and sustainability, reinforcing its commitment to delivering reliable, efficient, and future-ready power solutions for the city. About Tata Power:
