Irish solar glass processing factory

Overview

Who is Tipperary glass?

Tipperary Glass is a prominent manufacturer and wholesaler of glass products, with expertise in toughened glass, toughened laminate, and decorative glass. The company customizes glass sheets through various processing techniques to meet specific customer needs, ensuring high quality and safety standards.

Who is Dublin Glass Centre Ltd?

Dublin, Ireland Glass Centre Ltd is a specialized glazing company in Dublin that offers a wide array of glass products, including Fire Glass, Safety Glass, Toughened Glass, and Laminated Glass. With a commitment to exceptional service and a focus on customer needs, they provide both standard and specialized glass solutions for various applications.

Does Carey Glass in Nenagh have a solar PV system?

The recent addition of a new solar PV array on the roof at Carey Glass in Nenagh ensures that up to 13% of the local company's energy requirements come from a renewable source. After almost 60 years of business, the latest addition to the family-run Nenagh premises sees it making significant strides towards its future.

Why is Carey Glass launching a new solar project?

But elements of glass manufacturing are highly energy-intensive, which is why Carey Glass recently embarked on this new solar project. ESB's Smart Energy Services delivered the project from start to finish, from planning and grid approval to installation and commissioning.
