

# **Is it profitable to sell outdoor power supplies in Chiang Mai Thailand**

## Overview

---

How big is the outdoor equipment market in Thailand?

Get in touch with us. We are happy to help. The Outdoor Equipment market in Thailand is projected to grow by 6.39% (2023-2028) resulting in a market volume of US\$173.90m in 2028.

Is Thailand a good place to buy goods?

Thailand is a great country to source products, whether it be clothes, handicrafts, or food items. With numerous markets and factories offering goods at wholesale prices, many expats and holidaymakers consider importing products from Thailand to their home countries.

Where to buy bulk items in Thailand?

You can get some very good deals for bulk items at popular Thai markets such as Pratunam, Chatujak, etc. But it goes without saying that the traders at these markets are not selling it to you for the price they are getting for, unless they have discounted something to be a lost leader.

How much revenue does the outdoor equipment market generate in 2023?

Revenue in the Outdoor Equipment market amounts to US\$127.60m in 2023. The market is expected to grow annually by 6.39% (CAGR 2023-2028). In global comparison, most revenue is generated in China (US\$4,144.00m in 2023). In relation to total population figures, per person revenues of US\$1.78 are generated in 2023.
