

Lisbon New Energy Upgrade Battery Cabinet

Overview

What will the New Energy Cabinet do in 2026?

One of the new cabinet's priorities for its four-year term would be a national energy storage strategy for 2026 to accelerate investment in battery storage for wind and solar photovoltaic plants, it said.

Will Portugal's green transition boost energy storage by 2026?

(Montel) Portugal's recently elected government presented its legislative programme late on Wednesday, with the green transition one of its strategic pillars, including the launch of a strategy to boost energy storage by 2026.

Will a 5 mW 20 MWh battery storage system be built in Portugal?

Galp, a Portuguese energy company, has announced plans to build a 5 MW/20 MWh battery storage system in Portugal, in collaboration with Powin. The system at one of Galp's solar plants will enable it to adjust its PV production profile and meet its energy requirements. This project marks Powin's first venture in Europe.

Who is Portugal's new centre-right government?

Following last month's general elections, Portugal's new centre-right government is led by prime minister Luis Montenegro, with Maria da Graca Carvalho as energy minister and Maria Joao Pereira as secretary of state for energy.
