Lithuania 220v mobile power box BESS

Overview

Who is supplying Bess power in Lithuania?

Lithuanian utility Ignitis Group has announced plans to develop 291 MW/582 MWh of BESS capacity at three of its clean energy sites and said the equipment will be supplied by Germany-based Rolls Royce Solutions GmbH.

Why are battery energy storage systems important in Lithuania?

“Power generation from renewables is growing in Lithuania, which makes battery energy storage systems an important guarantee of [grid] reliability,” said Ignitis Group CEO Darius Maikštėnas.

Will ignitis install a battery energy storage system in Vilnius?

Vilnius-based utility Ignitis Group will install 291 MW/582 MWh of total battery energy storage system (BESS) capacity at two of its wind farms and at a hydro site, with commercial operation expected in 2027.

Is Lithuania accelerating its Clean-Power agenda?

Lithuania is accelerating its clean-power agenda with a €130 million order for battery energy storage systems (BESS) from Rolls-Royce Power Systems, marking the manufacturer’s largest single storage contract to date.
