

Main circuit breaker factory in Philippines

Overview

What is a circuit breaker?

Explore circuit breakers, the foundation of safe power distributions and the main protection from electrically-caused fires. Protect each line carrying energy or supplying appliances by choosing the correct sized circuit breaker, that will automatically disconnect in the event of a short circuit, or a cable overload.

Who makes the best circuit breakers?

When it comes to circuit breakers, Zenith provides a very wide selection. Their brands are ABB and Gewiss Electrical. They have air circuit breakers and miniature circuit breakers in various current ratings and amperes. Mega Himel is a distributor and supplier of low-voltage products.

What is a Siemens circuit breaker?

Under the Siemens brand, some of their product lineups include circuit breakers, contactors, overload relays, and motor circuit breakers. Their circuit breakers have a current rating that starts from 3A to 6000A at 480V. Most of their circuit breakers are suitable for commercial, industrial, and OEM applications.

Where can I buy a circuit breaker?

If you're looking for a stable company with a proven track record to fulfill your circuit breaker requirements, Fil-American Hardware is one of the best choices. They carry more than a dozen General Electric circuit breakers, both bolt-on and plug-in in various amperes. Address: Mercedes Executive Village, Brgy.
