

# Malta to build new energy storage project

## Overview

---

Why should you invest in Malta's new energy storage solution?

A vital part of Malta's new energy storage solution is heat transfer technology supplied by Alfa Laval. As both an investor and a partner in the project, Alfa Laval lends more than expertise and financial backing.

How does energy storage work in Malta?

Malta's innovative long-duration energy storage technology stores electricity as thermal energy from eight hours to eight days or longer, later returning it to the grid to meet hourly, daily, and weekly needs.

Does Malta have a long-duration energy storage solution?

Malta has developed a long-duration energy storage solution that leverages steam-based heat pump technology to provide a cost-efficient, flexible, and integration-ready option for utility and industrial clients.

Will Malta's new energy storage system revolutionize grid-scale energy storage?

Malta's new energy storage solution has the potential to revolutionize the future of grid-scale energy storage. The system can draw electricity from the grid in times of plenty and store it for hours or days, waiting until a time of high demand before releasing the power back to the grid.

## Malta to build new energy storage project

---

Malta Closes Funding to Deploy Its Long-Duration Energy Storage ...

Nov 29, 2023 · Malta's grid-scale, long-duration energy storage system helps governments, utilities, and grid operators transition to low-cost, carbon free renewable energy while ...

---

How to store renewable energy

Nov 28, 2023 · The partnership A vital part of Malta's new energy storage solution is heat transfer technology supplied by Alfa Laval. As both an investor and a partner in the project, Alfa Laval ...

---

Malta Inc. and BBVA Sign Agreement for Energy Storage Project ...

Jun 26, 2024 · "BBVA is opening the gates for deployment of Malta's long-duration energy storage - technology that is crucial to build energy resilience in Iberia and Europe at large." The Malta ...

---

Malta Closes Funding to Deploy Its Long ...

Nov 29, 2023 · Malta's grid-scale, long-duration energy storage system helps governments, utilities, and grid operators transition to low-cost, carbon ...

---

Tender launched for the development of Malta's first large ...

Nov 29, 2024 · The new systems will also mark another important milestone in modernising the country's distribution network with the installation of large power-electronic converters ...

---

BBVA supports Malta Inc.'s long-duration ...

Jun 19, 2025 · BBVA has signed a deal to establish a revenue structure for a new thermal energy storage (TES) technology demonstration project.

---

EUR47m project to develop massive PV power batteries opened ...

Nov 29, 2024 · A project to build two massive battery storage systems that can capture electricity generated from renewable energy sources is now open to bidders. The battery energy storage ...

---

Malta Inc. Partners with BBVA for Energy Storage Project

Jun 19, 2025 · Malta Inc. has announced a partnership with BBVA to support its long-duration thermal energy storage tech, a technology developed by Malta Inc. The agreement establishes ...

---

The Malta Energy Storage Power Station Project: A Game ...

Why the World Needs Malta's Thermal Energy Breakthrough You know how everyone's talking about renewable energy these days? Well, here's the problem they don't always mention: ...

---

Malta Inc. Clean, Flexible Power and Heat at ...

Malta's utility-scale, long-duration energy storage system uses steam-based heat pump technology to deliver dispatchable, cost-effective energy.

---

#### Malta Inc. Clean, Flexible Power and Heat at Scale

Malta's utility-scale, long-duration energy storage system uses steam-based heat pump technology to deliver dispatchable, cost-effective energy.

---

#### 16 offers made for development of Malta's

Apr 21, 2025 · The government has received 16 offers for the development of Malta's first large-scale utility battery energy storage systems, Minister for the Environment, Energy and Public ...

---

#### BBVA supports Malta Inc.'s long-duration thermal energy storage ...

Jun 19, 2025 · BBVA has signed a deal to establish a revenue structure for a new thermal energy storage (TES) technology demonstration project.

---

#### 16 offers made for development of Malta's

Apr 21, 2025 · The government has received 16 offers for the development of Malta's first large-scale utility battery energy storage systems, Minister for ...

---

#### Tender launched for the development of ...

Nov 29, 2024 · The new systems will also mark another important milestone in modernising the country's distribution network with the installation of ...
