

# **New Delhi Energy Storage solar Power Station**

## Overview

---

What is India's first utility-scale energy storage installation?

The project, inaugurated by Delhi Power Minister Ashish Sood, is hailed as India's first commercially approved utility-scale energy storage installation. Installed at the.

Why is India launching a battery energy storage system?

In Detail : India has approved its first commercial standalone Battery Energy Storage System (BESS) project, marking a milestone in the country's progress towards clean and renewable energy.

Which country has approved its first commercial battery energy storage system?

In Short : India has approved its first commercial Battery Energy Storage System (BESS): a 20 MW/40 MWh BESS at Kilokari sub-station in Delhi.

Where is Renew Wind Energy New Delhi located?

Renew Wind Energy (New Delhi) Private Limited is located at 138, Ansal Chamber - II Bikaji Cama Place, NEW DELHI, New Delhi DL 110066, India.

## New Delhi Energy Storage solar Power Station
