

# **New Zealand Portable Power Wholesale**

## Overview

---

Where can I buy a power supply in NZ?

Over 80,000 Units and 7,000+ Models in Standard Stock with Expert Live Support As a one-stop-shop solution, Wellforces Ltd. offers AC-DC power supply, LED drivers and controllers, and many more electrical power supply products in NZ.

How is electricity sold in New Zealand?

Electricity is bought and sold on the wholesale market. There are about 330 participants in New Zealand's wholesale electricity market. The wholesale market is where generators sell electricity and retailers buy electricity. Retailers then on-sell that electricity to businesses and households across New Zealand.

Why should you buy a portable power station in New Zealand?

New Zealanders love staying connected while they're out and about on holiday. Our range of portable power stations and solar-powered products ensures your devices are constantly charged on the go. Get the amps you need on-location and enjoy freedom from noisy generators. Shop for portable power solutions at Trade Tested online.

What is the wholesale market in New Zealand?

The wholesale market is where generators sell electricity and retailers buy electricity. Retailers then on-sell that electricity to businesses and households across New Zealand. There are about 80 generation companies, 62 retailers and 6 gentailers (generator-retailers) in New Zealand's wholesale market.
