Overview

Where can I buy a portable power station in South Africa?

Takealot is your top choice in South Africa for purchasing portable power stations from EcoFlow. EcoFlow's products are available at Takealot at excellent prices and are the best way to keep the lights on and your appliances powered – no matter the load-shedding stage.

How much does a portable power station cost?

Outputs Portable power stations can get expensive, but this model from Bluetti is a fantastic budget-friendly option, currently retailing for \$330. Despite its lower price, it's a powerful unit capable of delivering 1,000W output for regular loads and up to 2,000W for resistive loads like heaters or hair dryers.

What is a good power station?

A power station that's no bigger than a basketball and ideal for road trips. It's small enough to seatbelt into a spare seat or put in the trunk with the rest of your camping gear. A great power station for those who want to charge their laptop when out and about. It's small, lightweight, can be charged using USB-C, and is highly portable.
