

Price of 40-foot mobile energy storage containers for Middle Eastern ports

Overview

How much does a 40ft container cost?

Drewry's World Container Index puts the global average price of shipping a 40ft container at \$1,859 (USD) for 13 November, 2025. Between now and the end of the year, container shipping prices will likely remain soft particularly if the current ceasefire between Israel and Palestine enables more shipping traffic to flow through the Suez canal.

Are global container shipping rates still 46% lower than last year?

Global container shipping rates are still 46% lower than they were in November last year. Drewry's World Container Index puts the global average price of shipping a 40ft container at \$1,859 (USD) for 13 November, 2025.

What are the different sizes of intermodal shipping containers?
