# Price of a 50kW collapsible container for Russian farms

## Overview

---

How much does a 40ft container cost?

Drewry's World Container Index puts the global average price of shipping a 40ft container at \$1,859 (USD) for 13 November, 2025. Between now and the end of the year, container shipping prices will likely remain soft particularly if the current ceasefire between Israel and Palestine enables more shipping traffic to flow through the Suez canal.

How much does it cost to ship from China to Russia?

Sea freight offers the following options for shipping between China and Russia:  
FCL Shipping: Best suited for larger shipments. Costs for June 2025 were \$2,600 for a 20-foot container and \$3,600 for a 40-foot container from various ports in China to Vladivostok.

Are global container shipping rates still 46% lower than last year?

Global container shipping rates are still 46% lower than they were in November last year. Drewry's World Container Index puts the global average price of shipping a 40ft container at \$1,859 (USD) for 13 November, 2025.

How do I compare prices for international container shipping & moving?

When comparing prices for international container shipping and moving, it's important you understand what you need and how that affects the price you'll end up paying. The first thing to understand is the difference between an international mover and a freight forwarder also known as non-vessel operating common carrier (NVOCC).
