

# Solar powered portable outlet in Honduras

## Overview

---

What power plugs and outlets are used in Honduras?

In Honduras, there are two types of power plugs and outlets: Type A and Type B. Both types are used in airports, hotels, restaurants, etc., but they differ in terms of shape. Type A: Type A plugs have two flat prongs on either side of the plug.

Do I need a travel adapter in Honduras?

The electrical outlets and power plugs in Honduras are of types A & B (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different.

Do device plugs work in Honduras?

Most device plugs will work with the outlet types in Honduras. Also, the voltage in Honduras is the same as in North America. Please note: an adapter will be needed if your device plug has a grounding pin and you are trying to use a Type A outlet. For this reason, we always recommend traveling with a universal travel adapter.

Are Honduras electrical outlets the same as the US?

Yes, the electrical outlets in Honduras are the same as in the United States, both countries use power plugs and electrical outlets of types A and B. The voltages used in Honduras and the United States are also compatible, so you don't need a voltage converter.
