

# **Solar powered portable outlet in Jamaica**

## Overview

---

Is JSS a good solar company in Jamaica?

Jep Solar Solutions (JSS) is committed to being the best choice for solar energy systems in Jamaica. Through them, we can provide guarantee and warranty on the most efficient solar panels, batteries, and other solar equipment. Performance is guaranteed.

How do solar systems work in Jamaica?

In Jamaica, solar systems owners can connect to the electricity grid via a Net Billing, Power Wheeling, or Auxiliary Connections contract. This allows them to have access to the Jamaica Public Service Company Limited (JPS) grid, as per the Electricity Act 2015 and subsequent legislation.

Where is Jep Solar Solutions located?

Welcome to Jep Solar Solutions (JSS), your one-stop-shop for all your solar systems and equipment needs. Jamaica is blessed to be located near the equator with sunshine year round.

Can I go solar without a JPS light-bill?

Power all your appliances with green energy produced by the sun, totally off-grid with no JPS light-bill to worry about. Just keep JPS as your secondary power supply. The process is very easy, simply call our sales team for all the information you will need to go solar. With an experienced team we made this job look easy.
