

# Spanish 84v solar container lithium battery pack

## Overview

---

How does Sonnen work in Spain?

In Spain, Sonnen offers products and services through a partner network. They meet local needs for renewable energy and home storage. The products have many capacity options, including 4kWh, 8kWh, 5kWh -500kWh, 5.5-22kWh, and 55kWh. You can choose flexibly based on your project needs.

Can a lithium-ion battery support a solar energy system?

The installation of the latest technology Lithium-ion battery to support a solar electricity system has become one of the biggest developments in energy provision over the past couple of years. We have seen enormous growth and it is a sector that will continue to expand over the next decade.

What is Tienda solar?

Tienda Solar is a Spanish online solar store. It offers products across multiple categories including lithium batteries, lead-acid batteries, solar panels, inverters, solar kits, and chargers. With extensive experience in solar energy, the company has participated in projects totaling over 4GW.
