

# **US 20-foot collapsible container price quote**

## Overview

---

How much does a 20 foot shipping container cost?

When exploring 20-foot shipping container costs, it's important to understand that prices can vary significantly based on several factors, including condition, location, and market dynamics. Generally, used 20' containers start around \$1,500, with newer "one-trip" models ranging from \$2,500 to \$4,000.

Where can I find 20ft shipping containers for sale?

You can find 20ft shipping containers for sale right here! Boxhub is the nation's favorite shipping container marketplace. We have 20ft shipping containers available for sale in both new and used condition—and can deliver them straight to your property within 5 business days.

Should I buy a used 20ft shipping container?

If you're looking for a budget-friendly container for static storage purposes, we recommend purchasing a used 20ft shipping container. Used 20ft containers have been retired by the world's shipping lines after around 15-20 years of use.

Why should you buy a 20ft shipping container from Pelican containers?

Pelican Containers has cost-efficient 20ft shipping containers. It has a strong relationship with its suppliers and can negotiate the best shipping container prices for its products. Customers can save more by purchasing in bulk or selecting used shipping containers that often cost lower than new ones and still provide excellent functionality.
