

# **Vientiane rooftop solar panel manufacturer**

## Overview

---

Who makes solar panels in Vietnam?

JinkoSolar, another international solar panel manufacturer, has a significant market presence in Vietnam. The company focuses on producing high-quality solar panels that offer exceptional reliability, performance, and durability. JinkoSolar's panels are widely used across Vietnam for residential, commercial, and utility-scale solar projects. 8.

Does Vietnam have a rooftop solar market?

The rooftop solar market in Vietnam has witnessed remarkable growth, with the total capacity for solar power reaching approximately 16,567 MW by the end of 2022. Notably, rooftop solar alone contributes over 9,000MW to this figure, underscoring the significant role of rooftop installations in the nation's renewable energy portfolio.

Which companies are launching rooftop solar panels in Vietnam?

International firms, such as SunPower and First Solar, have also made significant inroads into the Vietnamese market. By bringing advanced technology and expertise, these companies are partnering with local developers to navigate the regulatory landscape and drive the adoption of rooftop solar panels.

Who makes bifacial solar panels in Vietnam?

Jolywood, a leading manufacturer of N-type bifacial solar cells and modules, has a significant presence in Vietnam. Their high-efficiency solar panels utilize advanced technology to enhance energy generation. Jolywood's products are widely adopted in large-scale solar projects, including solar farms and industrial installations.
