

Waterproof Folding Container for Oil Refineries

Overview

What is a crude & HFO storage tank?

The Crude & HFO Storage Tank from TEC Container Solutions provides high-capacity, insulated static storage for crude oil, heavy fuel oils (HFO), and other high-viscosity products. Built with a double-walled, fully bonded design, it ensures environmental protection while maintaining stable product temperatures even in harsh conditions.

What are oil containers?

Oil containers provide secure storage of oil and various related fluids. The containers ensure safe handling and transport of oil. They are constructed to ensure leakproof protection and are equipped with oil-safe stretch spout lids for convenient use. High-density polyethylene material ensures long-lasting product life.

Why do you need a relocatable oil storage solution?

Managing crude oil and heavy fuel oils demands more than just standard tanks. Our insulated, double-walled storage solution maintains product temperature, minimises risks, and ensures long-term storage performance without environmental compromise. Need a relocatable storage solution for changing project sites?
