

# **Wellington Mobile Energy Storage Container Single-Phase Product Warranty**

## Overview

---

What makes our Wellington storage facility special?

Our Wellington storage facility is extra special as it has multiple access points to the storage units and undercover loading areas to protect you from the Wellington weather.

Why do you need warranty insurance for your energy storage system?

Our warranty insurance solutions help to secure your sustainable business in the long run. Energy storage systems often involve the complex integration of multiple high-tech components. These are all prone to failure and malfunction, particularly over long periods of ten years and more.

How long do energy storage systems last?

Energy storage systems often involve the complex integration of multiple high-tech components. These are all prone to failure and malfunction, particularly over long periods of ten years and more. As a manufacturer and system integrator you have to provide your customers with warranties.
