

Wholesale pv breaker isolator in Sydney

Overview

Who makes a solar isolator?

Our range of Solar Isolators includes products from leading brands such as CBI Heinemann, Gen3 Industrial Switchgear, NHP, PGK Distribution, and ZJ BENY. At Tradezone, we offer a range of benefits to our customers, including fast shipping Australia wide, and a price match guarantee.

Can a DC isolation switch be used with a solar panel?

Our DC Isolators are specifically designed to be used with solar panels. Solar Isolator switches are usually installed between the solar panel and solar charge controller or the solar panel and the inverter.

What is a DC isolator?

They are designed to isolate the DC current from the solar array, allowing for safe maintenance and repair. With a range of options available, including PGK Distribution and ZJ BENY products, you can find the perfect DC isolator for your needs.

What accessories are available for a solar isolator?

We also offer a range of accessories, including MC4 connectors and busbars. With a range of options available, you can find the perfect Solar Isolator for your needs. For solar panel systems that require a high level of safety and efficiency, DC isolators are an essential component.
